**WHILE AFSCME DISTRICT COUNCIL 48 APPROVED ITS OWN OFFER,  
TENTATIVE AGREEMENT WITH COUNTY NOT YET REACHED**

**Milwaukee, WI** – Milwaukee County Board Chairman Lee Holloway released the following statement regarding negotiations with the County's largest labor union, AFSCME District Council 48:

"So far, although District Council 48 voted on a number of concessions over the weekend, the terms of this package differ from what the County's negotiating team was authorized to achieve. As it stands now, no tentative agreement exists. DC 48 has only approved its own offer to settle.

"As Chairman of the County Board of Supervisors, it is my duty to follow all policies and procedures established by the County and the State. If an agreement comes to my desk that meets the terms established by the County Board, I will refer it to the proper County Board committees with no hesitation. Right now, however, there's nothing to refer because the package approved by the union yesterday is not consistent with the terms the Personnel Committee was seeking."

**Chairman Holloway will address the media in a news conference this afternoon at 1:30 p.m. in the Offices of the County Board of Supervisors, Room 201 of the Milwaukee County Courthouse.**
